

Back Feel Lame, Sore and Achy?

Are you lame every morning? Do you drag through the day with a steady, nagging backache—evening find you "all played out"? Probably your kidneys are to blame. Hurry, worry, lack of rest and a heavy diet, all tend to weaken the kidneys. Your back gives out; you feel depressed and suffer headaches, dizziness and kidney irregularities. Don't go from bad to worse. Use Doan's Kidney Pills. Home folks recommend them. Ask your neighbor!

Here's a Topeka Case

E. W. McClellan, section foreman, 122 Quincy St., says: "My back was lame and when I stooped over I could hardly raise up because of a sharp pain in the small of my back. The kidney secretions passed freely, too. I had pains in the back of my head and spells of dizziness. A box of Doan's Kidney Pills removed the troubles."

NOVELTY

WINTER SPORTS By W.L. Huggins Jr.

A basketball classic will be played tonight at Lawrence with an unusual feature attached. Kansas and Missouri have met many times in the world of Missouri valley sport, but generally one team or the other has been accorded an edge by the dopsters. The "edge" didn't always materialize into victory, but it was always there before the game.

Each team has four wins and no loss in its percentage column. Taking the teams individually and collectively, the closest observers say it isn't possible to find a shade of difference in ability, precision, team work, accuracy or any other of the many points that constitute a well-oiled, smooth-running team.

There you are. One more point will make the game doubly interesting. Missouri and Kansas are in a tie for the lead in the percentage column.

Never before has Lawrence been so aroused concerning a meeting with the ancient rival, champion of championship. Surely no mid-season game ever stirred up like enthusiasm. Altho the battle is coming in the middle of "quiet week," the students are forgetting their cramming and talking about a Kansas win.

Coach Ruby of Missouri and eleven

of his basketball team, flanked by a Pullman load of staunch supporters, arrived in the Jayhawk town Monday night, and immediately went into seclusion till tonight's battle. The fact that a number of students from Missouri, including a sprinkling of alumni, made the trip to Lawrence, is an unmistakable sign of the interest in the game from the Missouri contingent.

Coach Ruby is confident of a victory. Coach "Pho" Allen is confident of a win. More tomorrow.

"Dutch" Mantell, Winfield middleweight, didn't get away in any fine style at Ward's Monday night during his match with Tommy Doctor. Neither did Mantell win the match. He got the first fall, but Doctor secured the following two falls.

The feature of the bout wasn't who won or who lost. It was the manner in which Mantell conducted himself.

Topeka has had clean wrestling matches this fall. Promoters Harper Rigby and Pete Young, while not securing any world's champions, have brought some fair exponents of the art to perform in Topeka rings, before Topeka crowds.

But the old home town doesn't wish any more of Mantell's kind. He's passingly clever as a wrestler, but his gentlemanly instincts, if he ever had

any, have been somewhat dulled and degraded. Outside of kicking at Referee Woods, "boeing" vociferously at the crowd, yelling and squealing at the referee, and a few other minor infractions on the law of wrestling, Mantell gave a pretty fair exhibition. Topeka doesn't want to see him again.

Washburn's basketball team is resting, as far as actual games are concerned, but Coach Ream is working them hard in practice.

"We've lost our last one for this season," say the Ichabods, and Ream is trying to hold them to the word. "Final Week," a semi-annual seven days of terror to students, is being held at Washburn, and the members of the teams are not exempt from its ravaging results. Therefore—no games till "Finals" are over.

Washburn meets St. Mary's Saturday.

Coach Garfield Weede's Manual basketball team fell before the onslaught of the Kansas Normal team Monday night at Emporia, and lost, 37 to 25.

The Pittsburg basketball team held neck and neck with the winners for the first ten minutes, but the uncanny goal shooting of Duer, Kansas Normal freshman, soon put the Emporians on the lead. Alver and Landers starred for Pittsburg.

St. John's college defeated Fairmount college at Winfield in basketball Monday night, 24 to 13. The game was neck and neck from the start, and a free throw in the last thirty seconds won the game for St. John's.

Madison Bell's Haskell Indians lost to Kansas City Junior college Monday night, 28 to 21. It is the third straight loss of the season for the Indians.

JAYHAWKERS MEET TIGERS

Missouri and Kansas Fives Evenly Matched for Tonight's Game.

Lawrence, Kan., Jan. 24.—Basketball teams representing the Universities of Kansas and Missouri meet here tonight to decide which of the two schools will take the lead in the Missouri Valley conference race. Neither team has been defeated this season, each having won four games. Statistics show the two aggregations about evenly matched. Each team has met and defeated Drake, Nebraska, Grinnell and Washington, and in these games Missouri has run up a total of 178 points to their opponents' 181, while Kansas has collected 135 points and held the opposition to 71 points. This makes Missouri forty points better on offense and Kansas thirty points better on defense. So the clash tonight is all a question of whether offense or defense is of the more value when two good teams meet.

WANT TO KNOW ABOUT KANSAS. School Children of Washington Write to Superintendent Stout.

A. J. Stout, superintendent of schools, has received ten letters from school children in the apple district of Washington state, describing their section of the country and asking that letters of a similar nature describing this part of Kansas be written to them by school children in Topeka. It is planned to meet the request.

Superintendent Stout has also received six letters during the last two days, from various persons in Kansas, asking for data regarding the system of correcting speech impediments used in the Topeka schools. In each letter a clipping from the Topeka papers telling of the work was enclosed.

"This shows the need of that sort of thing everywhere," said Superintendent Stout. Forty pupils in the Topeka schools have been cured of various kinds of speech defects during the last year and many others have been helped, according to Superintendent Stout. Miss Lucile Smith is speech impediment instructor in the Topeka schools.

MANY BUSINESS COURSES. Twenty-Eight Kansas Schools Teach Commercial Work, Report Shows.

Twenty-eight schools in Kansas are exclusively devoted to business courses, according to a survey just completed by the state department of education. There are three business colleges each in Topeka and Wichita, and two each in Emporia, Kansas City and Salina.

One business college is located in each of the following cities: Arkansas City, Chanute, Coffeyville, Concordia, Fredonia, Great Bend, Hutchinson, Independence, Larned, Lawrence, Manhattan, Newton, Ottawa, Parsons, Pittsburg and Winfield.

MUST LOWER ITS DAM. Court Decision Goes Against Humboldt Mill and Power Company.

Iola, Kan., Jan. 24.—By a decision of the district court here after two years of litigation, the Humboldt Mill and Power company must reduce the height of its dam across the Neosho river near Humboldt, to eight feet. An addition of three feet was made by the owners.

The state brought suit in behalf of the farmers above the dam who complained the additional back water damaged their farms. The dam originally was built in 1869.

MANY IN PRISON

Shawnee County Has 84 Prisoners in Leavenworth.

Leavenworth County Does Not Patronize Home Industry.

Leavenworth, Kan., Jan. 24.—Twenty per cent of Kansas counties have but one prisoner in the state penitentiary at Lansing, according to Warden M. F. Amrine. Leavenworth county ranks among the lowest in number of prisoners confined, having only fourteen.

Fifteen counties in the state have twenty or more prisoners confined at Lansing. Wyandotte county comes first with ninety-three prisoners followed closely by Sedgewick with eighty-eight. Shawnee county has eighty-four. Other counties have the following number: Montgomery, 44; Reno, 36; Butler, 35; Cherokee, 31; Miami, 20; Lyon, 31; Atchison, 25; Labette, 24; Bourbon, 20; Cowley, 24; Crawford, 26; Douglas, 20.

Twelve counties in the state have no prisoners in the state penitentiary at the present time, according to Warden Amrine. They are: Clark, Haskell, Morton, Decatur, Hodgeman, Scott, Elk, Kearny, Stanton, Grant, Lane and Wichita.

About 50 per cent of the men in the Kansas penitentiary were not bona fide residents of the state at the time they committed their offense and only 30 per cent are native born Kansans, the warden states.

Build Hard Road to Caney. Independence, Kan., Jan. 24.—In order that the county may take advantage of the \$120,000 federal aid allotted for the 12-mile highway to Caney, property owners at a recent meeting decided to go ahead with the project. It is estimated the highway will cost about \$20,000 a mile, constructed of gravel with an asphalt binder.
